

EMERALD COAST UTILITIES AUTHORITY

NOTICE OF SECOND CONFLICT ASSESSMENT MEETING

INITIATION OF CONFLICT RESOLUTION PROCEDURES

A second conflict assessment meeting will be held at 10:00 a.m., Tuesday, November 5, 2013, at the Board meeting room of the Emerald Coast Utilities Authority, 9255 Sturdevant Street, Pensacola, Florida, for the purpose of discussing an equitable, expeditious, effective, and inexpensive resolution of the conflict surrounding ownership of ECUA's Airport North and Hagler Well Sites. ECUA contends it owns the two sites by virtue of a 1981 agreement by which ECUA bought from the City all of its existing water and wastewater facilities (and those wells were in existence at that time), and as further evidenced by ECUA's operation and maintenance of those sites ever since. The City contends the 1981 agreement should be construed as a lease of those sites, contrary to all other facilities covered by the agreement. Representatives of both entities will meet and discuss this dispute and assess the conflict.

ECUA does not make verbatim records of its proceedings, so anyone desiring a verbatim record may need to independently secure such a record.

Pursuant to the U.S. Americans with Disabilities Act, ECUA will make reasonable modifications for access to ECUA services, programs, and activities by any qualified individual with a disability. Please call (850) 476-5110 (voice callers) or (850) 494-7353 (TDD) for further information. Requests must be made at least 48 hours in advance of the event in order to allow ECUA sufficient time to provide the requested accessibility.
